Address: 218 Albemarle Road, Troy, NC 27371
Phone: 910-974-9673

Service(s) Offered: A community based pre-school program for children between the ages of three and five. Head Start provides a comprehensive program to meet the emotional, social, health, nutritional, and psychological needs of children. Members of the community are encouraged to serve as volunteers in all capacities of the program. Offers the following services: Social Services - represents an organized method of assisting families to assess their needs, and providing those services to build upon the

individual strengths to meet individual needs. Parent Involvement - The involvement of parents in parent education, program planning and operating activities. Education – provides individualized activities that are designed to stimulate the intellectual, social, emotional, and self help development of each child. Health Services - provides a comprehensive health program including medical, dental, mental health, and nutritional services. Disability Services – offers a full range of intervention services for children with documented disabilities in a mainstream setting. Support services are provided for parents. Nutrition – children receive nutritious meals and snacks appropriate for the time they are in the center each day. Nutrition education is planned to help parents and children understand the relationship of nutrition to health and to develop positive food attitudes and good eating habits.
